**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of problems and the worst customer service with AT&T, I moved to a town that has an alternate telephone and internet fiber provider, Sonic.net. I have had no problems of any kind with this company and have found their customer service to be outstanding.

I oppose any change to existing law and regulation which decreases competition and increases prices. If my service is affected I will never forget which politicians, which political party and which administration did this and will forever vote accordingly.
